

THE ARTS SOCIETY WORCESTER

Wednesday 7th November 2018

You are invited to a morning of Jewellery-making (between 10:15 and 12:45)
at **St Peter's Baptist Church, Eden Close, Worcester WR5 3TZ**
(Access lift and parking available)

Join talented and experienced tutor Barbara Harvey to create a delightful
SERPENTINE JADE NECKLACE SET

Barbara travels around the world collecting a variety of stones and pearls she finds in local markets and souks and then creates a design which can be made up by her students – **you!** Each necklace set will include jade with freshwater pearls (silver and white) and crystals. The jewellery looks stunning and I'm sure someone special will be on our minds while we work.

A set of necklace, bracelet and earrings costs £75 in the Arts Centre where Barbara sells her creations, so we are lucky to be offered the chance to use great materials at a good price.

Barbara's husband, Steve, works with her and will give advice and help where needed.

Men are welcome, of course, and you won't be alone.

The cost of the workshop will be **£34.00** including materials, tea/coffee and biscuits

Please send completed form and cheques to: **Mary Carns, 15 The Priory, Stourport DY13 8JQ**

Email for enquiries: **tasworc@gmail.com**

Please note: refunds for this workshop will be made if your place can be filled from the waiting list.
