This is a self-drive tour. If you are able to offer to a lift to anyone – or if you would be unable to go unless you have a lift - please let us know on the booking form. Harvington Hall is an old building with lots of stairs, uneven flooring and no lifts. Please bear this in mind when booking.

We don't not aim to make a profit on our visits, but prudent planning may result in a financial surplus. If this happens, it will be reinvested in the Society for the benefit of all members
